

DCSSP

Membership

Cost - £1500

Provision of training to meet whole school needs, including Teachers, Teaching Assistants and Midday staff.

Developmental training of PE

Coordinator and other staff - CPD

Estimated Cost- £5000

All staff will receive training and support in the delivery of high quality PE lessons and physical activity opportunities. Children's progress will be assessed and monitored in order to ensure that children are meeting the physical expectations for their age with an improving attitude towards healthy living.

Cycle Derby

Estimated Cost - £750

All children in the school will be given the opportunity to develop the agility, balance and coordination skills they will need to begin to learn how to ride a bike along with an increased confidence and enjoyment for physical activity. Children will be given the opportunity to extend these skills through an afterschool cycle club.

Maths of the Day

Estimated Cost - £600

Teachers will deliver maths lessons which provide opportunities for children to learn in an active, engaging environment through a variety of active maths challenges. This will help to increase activity levels, mathematical understanding and improve progress

Premier Sports BLM

Estimated Cost - £675

Children's speed and endurance will be assessed termly over the course of the year and monitored for progress. The aim is to improve children's stamina, encouraging growth mind-set and a desire to improve.

Physical Literacy Support

Estimated Cost - £1400

All children's physical literacy skills will be assessed against milestones. From this intervention groups will be created to support those underachievers in order for them to achieve age related expectations by the end of the academic year.

Cross - Curricular Physical Activity

Cost - £1500

Children will increase their physical activity, understanding and expression through a variety of topic and cross curricular, creative learning opportunities, inspiring and engaging active learners.

Promoting a Healthy Lifestyle

Estimated Cost - £1000

Children will understand the importance of maintaining a healthy diet along with keeping active. This will be delivered in a fun and exciting way to engage children and motivate them to look after their bodies.

Competitions and Festivals

Estimated Cost - £1000

Children will take part in competitions and be given opportunities to represent Carlyle Infant School through physical and creative activities and sports. In addition to these competitions children will have opportunities to take part in different sporting festivals organised by DCSSP.

After School Clubs

Estimated Cost - £200

A variety of afterschool clubs will regularly be on offer for all children to participate in throughout the year. These clubs will be led by teachers and qualified sports instructors.

Sports Day Olympic Sessions

Estimated Cost - £1000

Children will be given the opportunity to learn new sports and games and physical skills which they will participate in during sports day. Children will develop the skill of competitiveness in sport and an increased enjoyment for physical activity.

Money available to spend £16100 + a carry-over of £1780.57
