Parking in the local area

Dear Parents and Carers,

We are writing to remind you about parking in the local area to keep our children and families safe.

You can do these things to help:

- Use the car park at King George's playing fields which is a safe place for all to move around
- Be considerate of our neighbours
- Park away from zig-zag lines
- Park away from school gate entrances
- Do not enter onto the school site with your vehicle, unless approved to do so
- Consider walking to school
- Drive extra carefully on the school and nearby roads

As we are not able to enforce issues on highways for unsafe parking and driving, we do report this to the local Police and Highways in Derby City Council. They are working carefully to monitor this, which is supportive. Please do inform them directly with any further concerns. You can do this by calling 101 for a Police incident, or Derby City Highways through the City website details.

We welcome your support in demonstrating the importance of good role-modelling around children. We thank you for your support with this and look forward to a safe future together around school and its local vicinity, Flying High.

Yours sincerely,

Mrs Besenzi, Headteacher
